Three Chimneys Inn

ffrost Sawyer Tavern

Three Chimneys Inn, ffrost Sawyer Tavern, is the oldest house in Durham. Built in 1649, the Inn is one of the oldest buildings in New England. Part of the original settlement at Oyster River Falls, this property is a “living” record of over three centuries of cultural and commercial development.

Fun Tidbit: According to legend, during the Revolutionary War, the Main House was used as a storage place for munitions that had been taken from the British blockhouses in Portsmouth and hidden for use by the American troops!

Here at Three Chimneys Inn, ffrost Sawyer Tavern, when it is cold outside and winds gust off Little bay, we hope you will warm yourself beside one of our original wood burning fireplaces. When the weather is fair, we hope you will join us for outdoor dining on our deck featuring our fire pit. Walk about in history with the ghosts of Valentine hill, the Woodmans, the ffrosts and the Sawyers and enjoy the gardens and grounds.
